

## PINNACLE Members

The Pinnacle program recognizes the state's outstanding corporate citizens – State Chamber/AIA members who desire to make a significant statement about their participation in Arkansas's future. These leading companies are helping make the state a better place to live, work and conduct business by supplying the leadership and financial support necessary for the State Chamber/AIA to effectively represent the Arkansas business community.

Through the involvement and leadership of senior representatives of their firms, Pinnacle members actively participate in our grassroots action network, work on policy committees and lead the State Chamber/AIA on the Board of Directors. In doing so, these Pinnacle members provide resources necessary for our organization to achieve success while helping to shape the future of Arkansas and enhance its economic climate.
